Plastic Interlocking Wall & Ceiling Panels, Plastic Trim, No-Rot PVC Doors, Stainless Steel Doors, PVC Planking, Parking Curbs, Plastic Bollard Covers...

We are your source for high quality PVC building Products.

### Easy and fast to install

Quickly and conveniently, without drying time and without grouting. This can be done directly on old tiles.

### Economical

Cheaper than traditional tiles, Dumawall is grout-free and requires no special tools.

### 100% Waterproof

Dumawall is designed with wet areas in mind. Perfect for baths, showers, and kitchens. Dumawall is also mold & mildew resistant.

### Functional & Fashionable

Get the best of both worlds in fashion and function, Dumawall is versatile enough to be used in almost any room, and the beautiful tile designs are only matched by its versatility for use.

### Minimal maintenance

Dumawall is easy to keep clean, and there is virtually no maintenance required.

**Interlocking, Grout-Free  
Waterproof Wall Tiles**

**[www.dumawall.ca](http://www.dumawall.ca)**

# Features & Benefits

**100% Waterproof**

**Hygienic & Easy to Clean**

**Strong & Lightweight**

**Easy Tongue & Groove Interlocking**

## The do-it-yourself Tile

Installing Dumawall is quick and easy, where there is now no need to work with complicated grout lines, tools and costs associated with Ceramic tiles.

Dumawall tiles provide the look of Ceramic tiles, feature an interlocking tongue and groove system, and can be easily cut on site with circular skillsaw or jigsaw, providing the ideal home handyman solution at minimal costs compared to a professional tiler.
